COLORED DEACONS ORDAINED

LETTER TO M. B. ROWE AND CO.

Fredericksburg Va.

Dear Sirs: Two men on opposite sides of the same street sell sausages, one at 10c lb, the other at 5. Which sells the more sausages, think you?

The answeris: It depends on the street. There are pienty of streets in the world where 5c sausages go like the wind. Devoe is an honest paint; there see eight honest paints; 200 adulterated and short-measure; Devoe is the best of the eight. Devoe has more strength than the other seven. The painter adds generally a quart of oil to Devoe; he still has a stronger paintthan any other one of the seven.

one of the seven.

The seven are sold at one price \$1.75 a gallon; a common price of second-rate paint is \$1.50. It takes 8 gallons Deroe to paint a small house, and 12 of average paint; 8 gallons cost less than 12; the price is more than offset by less gallons.

I want to tell you of the good things I have in my store that you will need when the cold weather sets in.

I have a large and stylish line Ladies' 50-inch length Coats, Ladies' Jackets, Misses' and Children's Coats.

926 Main St.

I have the largest and best stock all-wool Dress Goods in my town for 50c. yd. I have a new stock of Ladies' Skirts at \$1,25 to \$5.00. I have the Thompson Glove-Fitting Corset, the best

made for \$1.00. I have all sizes in Men and Boys' Overcoats at reduc-

I have a well assorted stock of Staple Dry Goods, nstrument is not wracked, and that Notions, Underwear, Gloves, Men and Boys' Pants, Trunks

Threee deacons were ordained at Mount Zion Baptist church, colored, near Hartwood, Rev. P. M. Nelson paetor. They were Albert Hawkins, James Minor, and John Pollard. Rev. James A. Robinson, pastor of Mount Olive church, Stafford, and two stewards, Wm. Hill and Robert Payne, were present. The attendance was small. A dinner was served. Fredericksburg, Va.

We have as pure Fertilizers and Grass Seed as can be found anywhere. Our prices are right. Can furnish you Pure Animal Bone, Dissolved S. C. Bone, and different grades of ammoniated Goods, at the lowest cash prices. A good supply of Timothy Seed, Orchard Grass, Clover and Herds Grass on hand, We

#### are supplying some of the best farmers, and will be pleased to sell you. DECKER & ALRICE

the price is more vote.

It costs \$2 to \$4 a day to get paint on; a day is a gallon; \$8 to \$16 more to paint the more-gallons paint: \$8 to \$16 less for painting the less-gallons paint.

The diff-rence in first-cost of the two jobs is \$14 to \$22 and which wears best do you think? It's the less-gallons paint because of its strength.

There are plenty of people to buy those 5c sausages. "Meal"
